

The 8th Safehaven Italian Car Day

On August 12 the 8th Annual Italian Car Day, in support of Safehaven, was held with over 180 vintage Italian cars and motorcycles including Ferrari, Maserati, Fiat, Lamborghini and many more. At 2 p.m. there was an Engine Start in honour of Safehaven and throughout the day attendees had the opportunity to support Safehaven by purchasing \$20 raffle tickets for a chance to win a 2018 Fiat 500! Judges were also on-site awarding gold and silver medals for prizes such as best of show, best paint, best interior, best engine and most original. The grand prize winner took home a Fiat 500 from Vaughan Chrysler. Guests enjoyed a lot of great food, festivities, live music and a little taste of Italy. The Safehaven Project for Community Living is a not-for-profit organization that provides high-quality, family-centered and community-based residential care. Visit www.safehaven.to to learn more. In the last 7 events, Italian Car Day has raised over \$ 300,000.00 for Safehaven Project for Community Living
